

The Seacoast Artists Association has been part of the seacoast scene for many years. It is a group of nearly 200 artists, and people interested in visual arts who endeavor to educate and support artistic promotion for its members, as well as providing a place to present their works. They maintain a cooperative gallery in Exeter, NH on a space rental basis that supports itself (*For details, contact the current gallery manager*). We have been approved as a non profit 501C3. A portion of fees from art shows, memorial donations and other funds are placed in a scholarship fund and awarded to qualifying high school seniors from the area. All memberships expire on December 31, 2011.
